## SAFETY CUTTING SOLUTIONS

PHARMACEUTICAL / COSMETIC  
MANUFACTURING

HOSPITALS / URGENT CARE

ASSISTED LIVING / EXTENDED CARE

Consider your safety requirements, cutting application, and environment when selecting a safety cutter.

At PHC & Klever, providing superior quality, high-performance safety cutting solutions to improve workplace safety and prevent costly merchandise damage is at the core of everything we do.

We have hand-selected our most popular safety cutters for use in your healthcare and pharmaceutical operations.

### CONCEALED BLADE

Recessed blade offers maximum user protection and reduces the risk of damaging goods.

#### The Original Klever Kutter™

A compact safety cutter featuring a stainless steel blade and our proprietary plastic formula for enhanced durability!

#### NSF Disposable Film Cutter

The most popular safety cutter for stretch wrap, film, tape and banding

 Proudly manufacturing in the U.S.A. since 1950

### REUSABLE-HANDLE, CONCEALED BLADE

Combines optimum safety with versatility. Mix-and-match replacement heads based on the cutting application.

#### Kleen® XChange™

Antimicrobial

WIDE: MULTIPURPOSE  
OPENING is ideal for up  
to double-wall corrugate  
and multipurpose use!

Antimicrobial

KURVE: ALL-METAL HEAD  
is ideal for unique applications!

Antimicrobial material inhibits the  
growth of bacteria on the product.

### GUARDED BLADE

Advanced safety technologies and multi-use features paired with robust designs provide long-lasting, versatile safety cutters for rigorous environments.

#### Restaurant Safety Cutter

AUTO-LOCKING SAFETY HOOD

The hood automatically closes to cover  
the blade at the end of each cut.

S7

3-IN-1 DESIGN

1. Guarded cutter with  
self-retract for safer  
box topping
