SAFETY CUTTING SOLUTIONS

Consider your safety requirements, cutting application, and environment when selecting a safety cutter.

At PHC & Klever, providing superior quality, high-performance safety cutting solutions to improve workplace safety and prevent costly merchandise damage is at the core of everything we do.

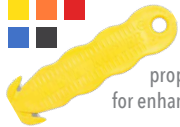

We have hand-selected our most popular safety cutters for use in your retail storefronts and backroom cutting operations.

CONCEALED BLADE

Recessed blade offers maximum user protection and reduces the risk of damaging goods.

The Original Klever Kutter™

Available colors
